

Garfield County Rural Water District #6

Hydraulic Analysis Form

Customer/Potential Customer Name: _____

Legal Description of desired meter location: _____

Driving Direction to desired meter location: _____

Current Member? YES

NO

*If current member, permission to add engineering fee to next bill?

YES

NO

All new meter inquiries must be submitted to our engineer, Matthew Coe of Cimmaron Valley Engineering, for hydraulic analysis to provide verified approval or disapproval of desired meter. The cost of the hydraulic analysis costs Garfield County Rural Water District #6 \$250.00 per submittal. This charge will be reflected to the customer/potential customer inquiring about above desired meter location. In summary, **ALL desired meter inquires will cost the customer/potential customer \$250.00 PER INQUIRY. This fee shall be paid in full, or added to the next billing cycle if an existing customer, BEFORE form submittal to engineer. If paying in full, we accept CHECK ONLY. Checks are to be made out to Garfield County RWD #6.**

I have read the aforementioned paragraph and understand by signing below that the \$250.00 engineering fee is **NON-REFUNDABLE** and **DOES NOT** guarantee service in any way.
